JOINT STATUS REPORT

Cameron International Corporation and Nitro Fluids LLC submit this Joint Status Report pursuant to the Court’s Order staying the case after Nitro filed for bankruptcy and ordering the parties to “update the Court within five (5) days of the automatic stay being lifted.” Dkt. No. 412.

Specifically, on October 9, 2024, the bankruptcy court entered a Stipulation and Order (attached hereto as Exhibit 1) lifting the automatic stay to allow this Court to resolve certain issues remaining in this case and to enter final judgment consistent with the Court’s resolution of those issues, as specified in ¶¶ 1–12 (at pages 6–8) of the Stipulation and Order.

Accordingly, the parties respectfully request a status conference with the Court to discuss the next steps to resolve all remaining issues and to proceed to final judgment.
